Merrimack Valley Schools (Penacook, NH)

Banwell provided full design services for \$20M renovations and additions to MC HS and Middle School, Loudon and Webster Elem. The HS was the first NECHPS project in the country.

Lebanon Middle School (Lebanon, NH)

The new Lebanon Middle School will be designed as a high performance school under the "Northeast Collaborative for High Performance Schools Protocol".

Gilford Middle High School (Gilford, NH)

Program development and full design services of additions and renovations to an existing open-concept middle and high school.

Spaulding Youth Center (Northfield, NH)

The Spaulding Educational Center is a new 20,000sf one-story educational building with an attached academic administration wing. The building was sited on an existing 88-car parking lot so that it would help define the center of the campus.

Laconia Schools (Laconia, NH)

Elm Street: Multiple additions and a complete renovation.
Pleasant Street: 10,100 sf additions and a complete reno.
Woodland Heights: Additions and a complete renovation.
