Experience

Vermont Technical College Williston Dormitory Phase I and II (Williston, VT) Phase I included a renovation of 6,000 square feet of a third floor office space into new dormitory space. Phase II included renovating the second floor of the existing office building into student housing for 20-24 students and an apartment for an RA.

Child Development Center Keene State College (Keene, NH) KSC Child Development Center provides child care and educational programs for children ages 4 months to 6 years.

Campus Center Vermont Technical College (Randolph, VT) The new Campus Center project combines a new 13,000 sf addition to the existing Shape facility at the south side of the campus at VTC.

Baker Hill Golf Clubhouse (Newbury, NH) This was a new 2-story 3,500 sf country club building situated on an existing 1800's farm site. Building materials were chosen to be New England vernacular, using white cedar shingles and wide trim boards, large farmhouse windows, standing seam metal roof, and a heavy timber frame entryway and patio trellis.
