### Professional Affiliations

VT Chapter of AIA

### Lecturer

1998 NESDEC Conference Co-Presenter  
Seminar: "Designing Creative Early  
Childhood Environments"

## Relevant Experience

### Auburn Town Hall

(Auburn, NH)

Banwell Architects assisted Stantec Consulting Services with a study of this existing historic town hall, followed by programming, design and construction of substantial renovations for improved office function, security, accessibility and energy efficiency. Phase One interior renovations were completed December 2010, exterior work for new entry addition awaits funding.

### Barre City Place

(Barre, Vermont)

Barre City Place is a mixed use, four story, 80,000sf building on North Main Street opposite Depot Square. The building includes historic detailing including brick and local granite detailing to fit in Barre's historic downtown district.

### Blue Cross Blue Shield of Vermont

(Montpelier, VT)

Design of new office addition (approximately 46,000 sf) and expansion and renovations to foodservice/cafeteria space (2,700 sf) as well as renovation of executive office.

### Springfield State Office Building

(Springfield, VT)

Renovation of two historic mill buildings in downtown Springfield into regional offices for nine State agencies.

### 63 South Main Street

(Hanover, NH)

A ground-level addition and alteration to provide just over 5,000 sf of retail space on a prominent corner of Hanover's South Main Street.
