

Thomas Daniels
Architect, NCARB, LEED AP

Tom brings more than 20 years experience to the firm. After receiving his BArch from Roger Williams University in 1993, he moved to southern Maine where he was able to gain valuable experience in many building types, including office, residential, religious, hotel and hospitality, elder-care and performing arts. He is licensed to practice Architecture in Maine and New Hampshire, is an NCARB Certificate holder, and is a LEED AP.
