

## Zachary Brock Architect

Zachary Brock (LEED AP), joined our design team in August 2012. He previously worked for Black River Design Architects in Montpelier after graduating from Virginia Polytechnic Institute and State University (Virginia Tech) in 2005. His experience with educational facilities, biomass heating facilities, and other commercial projects has allowed him to pursue some of his interests including: sustainable design, local agriculture, and small-town urbanism. He is originally from Central Pennsylvania, but has found his place in Northern New England.
